

About Crystal Springs Surgical Associates - To schedule and appointment please contact our office directly at (650) 685-2959

Crystal Springs Surgical Associates was established in November 2006 after its founder John Feng MD spent four years with Laparoscopic Associates of San Francisco. Dr. Feng's specialty interests include Laparoscopic Surgery for Morbid Obesity, and a variety of Advanced Laparoscopic Gastrointestinal Surgery for the treatment of many diseases (acid reflux, hiatal hernia, achalasia, tumors, ulcers, feeding tubes, gastroparesis, bleeding, adhesions, colon, solid organ, gallbladder disorders). A highly trained expert in Laparoscopic, or Minimally Invasive Surgery, Dr. Feng has developed many areas of expertise in his practice and authored numerous articles on many of these subjects.

Dr. Feng was awarded academic distinction and honors with his undergraduate degree from Stanford University in California. After graduating from the University of California, San Francisco (UCSF) Medical School in 1993, he underwent General Surgery training also at UCSF from 1993-2001. During that period, he dedicated himself for 3 years to the study of Wound Healing under the direction of Thomas K. Hunt, MD. From 2001-2002, Dr. Feng completed a specialty training fellowship in Minimally Invasive Surgery, or Advanced Laparoscopic Surgery, with specific focus on Bariatric Surgery at the Mount Sinai Medical Center in New York City under the direction of Michel Gagner, MD and Barry Salky, MD.

Dr. John Feng established Crystal Springs Surgical Associates in November 2006 after four years with Laparoscopic Associates of San Francisco. Dr. Feng's specialty interests include Laparoscopic Surgery for Morbid Obesity, and a variety of Advanced Laparoscopic Gastrointestinal Surgery for the treatment of many diseases (acid reflux, hiatal hernia, achalasia, tumors, ulcers, feeding tubes, gastroparesis, bleeding, adhesions, colon, solid organ, gallbladder disorders).

Board certified: American Board of Surgery

Member: American College of Surgeons (ACS), American Medical Association (AMA), the Society of Gastrointestinal Endoscopic Surgery (SAGES), the Society for Surgery of the Alimentary Tract (SSAT) and the American Society of Bariatric Surgery (ASBS).

Appointed: Medical Director of Bariatric Surgery Services, California Pacific Medical Center (2004 - present)

A highly trained expert in Laparoscopic, or Minimally Invasive Surgery, Dr. Feng has developed many areas of expertise in his practice and authored numerous articles on many of these subjects.
